The aim of Rugby Dental Care has always been to provide its patients with high quality, affordable dental care in a relaxed, comfortable and safe environment. We are committed to continuing education and keeping up to date with advances in modern dentistry.

All of our staff have advanced CRB clearance. All qualified clinical staff are fully registered with the General Dental Council and comply with the regulations set out for the protection of our patients. We are registered with, and have been inspected and approved by, the Care Quality Commission.

How do you join our membership plan?

We carry out an assessment to ensure that our membership plan will meet your needs and you will be advised of the monthly amount to pay to cover all your routine dental treatment and the charges for management and administration payable by you to DPAS.

Then joining is very simple. All you have to do is complete a registration form for us and a Direct Debit mandate and authorisation form for DPAS.

In addition to your first monthly payment, an initial registration fee of £10 per person will be payable by you to DPAS and will be included in your first Direct Debit payment.

If you choose to leave the plan for any reason you can do so by simply giving us one month's notice.
